## Learning From Home Update

Dear Parents and Carers,

All students who are not attending school are expected to be completing work at home as required by the Department of Education. The Lake Illawarra South Public School website has been updated with a *Learning From Home* tab on the homepage. All Learning Plans and support materials are available on the school website as PDF documents for download or printing. Each Learning Plan is for **one** week's learning.

New Learning Plans and support materials will be uploaded onto the school website each Monday morning and previous plans and materials will be removed.

**Hard copy packs** will be available for drive by collection between 8.30am and 10.30am each Monday. Completed work (except textbooks) needs to be returned at this time.

**Online learning** will be available each Monday at 8.40am on SeeSaw (K-2) and Google Classroom (Years 3 to 6).

It is important **ALL** families have access to the SkoolBag app for updates regarding Learning From Home and school operation.

Instructions for SkoolBag have been attached and are also available on the school website on the *Learning From Home* tab.

Thank you for patience as we continue to negotiate this challenging time.

Karen Simula  
**Principal**

# Skoolbag

Smartphone school to parent communication

Skoolbag is a mobile App for your school to communicate directly to both parents and students. It works through both smart phones and smart devices (such as iPads and Android Tablets). Ideal for:

- > School, free push notification alerts
- > School events
- > School newsletters
- > School documents
- > School RSS feeds
- > School social media (Facebook, Twitter)

Skoolbag delivers school notices directly to parents and students

## How To Install Skoolbag On Your Smartphone

### iPhone & iPad Users
