Wednesday 17th February 2021

Dear Parents and Carers,

In 1989 an 'average Australian bloke' had a simple idea to make a difference in his own backyard – Sydney Harbour. This simple idea has now become the nation's largest community-based environmental event, *Clean Up Australia Day*.

This year Lake Illawarra South Public School is participating in *School Clean Up Day*. *School Clean Up Day* is a fun and engaging way to teach students about the responsible disposal of rubbish, recycling and resource recovery.

Our Clean Up Day will be held on **Friday 5th March**. Students are asked to bring gloves, tongs and a bucket for rubbish collection. Students in Kindergarten to Year 4 will be cleaning up the school site and students in Years 5 and 6 will be removing rubbish from the foreshore of the lake across from the school.

As Stage Three students will be leaving school grounds, please complete the permission slip below and return to classroom teachers by **Wednesday 3rd March 2021**. Students who do not return the permission slip will participate in the activity with another group on school grounds.

Principal

Schools Clean Up Day 2021

I give permission for my child _____ of class _____ to participate in Lake Illawarra South Public School's School Clean Up Day on Friday 5th March 2021. I understand my child will be walking across the road to the foreshore of Lake Illawarra to remove rubbish from this area under the supervision of Lake Illawarra South teaching staff.
