Dear Kinder Parents and Carers,

Morning *Kiss and Drop* procedures will commence on Monday 22nd February for Kindergarten students.

Parents and carers are welcome to walk their children into the school and say goodbye at the COLA, if entering from Reddall Parade; or at the grey Sports Shed, if entering from Pur Pur Avenue. Students will then continue to the Eastern Playground with their school bag, where a teacher is on duty. When the morning bell rings, students will then proceed directly to their classrooms. A reminder that supervision is provided from 8.10am and students should not be at school prior to this.

This Friday (19th February) is also the last day of the early finishing time for Kindergarten students. Students will be dismissed from their classroom at 2.40pm commencing Monday 22nd February.
