Check-in Assessments – Years 4 & 6

Dear Parents and Carers,

Students in Years 4 and 6 are participating in a reading and numeracy check-in assessment this term. The check-in assessment is a NSW Department of Education online reading and numeracy assessment available to support schools to assess and monitor student learning. The check-in assessments supplement existing school practices to identify how students are performing in literacy and numeracy and to assist teachers to tailor their teaching more specifically to student needs. The assessments are scheduled for **Wednesday 5th May** (reading) and **Thursday 6th May** (numeracy). Students who are absent during the assessment administration days are able to complete the assessments on Friday 7th May.

Each assessment is designed to be quick and easy to administer, consisting of approximately 40 multiple-choice questions. The suggested assessment duration is 50 minutes for each assessment. The assessment will be administered by classroom teachers.

If you have any questions, please speak with your child's classroom teacher.
