Dear Parents and Carers,

Stage 2 and 3 students are attending an educational walking tour in Sydney to support their understanding of their History units of work regarding the early colonisation of Australia.

During the tour, Stage 2 students will experience the contrastingly different lives of early settlers as they each become a character who lived during this period of colonial history.

Stage 3 students will learn about the development of the New South Wales colony through stories about important people in Government and in society who contributed greatly to the progress, development and growth of Sydney.
