Education Week Postponement

Dear Parents and Carers,

NSW Public Schools are celebrating Education Week next week (26th – 30th July) across the state, with the theme *Lifelong Learners*. Lake Illawarra South staff have planned a collaborative work with parents and students. Unfortunately, due to the ongoing COVID-19 restrictions, Lake Illawarra South Public School will be postponing Education Week activities to a later date in the year.

Karen Simula
Principal
