### Lake High Transition Google Classroom

Dear Year 6 Parents and Carers,

Lake Illawarra High School has established a Google Classroom for Year 6 students who will be transitioning to High School in 2022. The Google Classroom contains a range of resources designed to familiarise students with the high school, teachers and subjects. Students will be able to complete and submit a variety of activities and interact with Year 6 students from other schools who will also be transitioning to Lake Illawarra High School.

Mrs Gibson Dean has access to the Google Classroom and will be monitoring student interactions.

Students may access the *Lake High Transition* Google Classroom using the class code: **zwzykih**
