Principal's Message

Dear Parents/Carers

It is always a pleasure walking around in the school grounds, so much to see and enjoy. The school garden is flourishing; I have sampled the beetroot, cos lettuce, spinach and am still alive! If you haven't already done so, grab some of the fantastic produce available.

Another great thing you might notice, is the increasing number of children who are wearing hats when playing in the playground. It is vitally important that during the school years children wear a hat to protect themselves from the sun. Think of all the damage the sun has inflicted upon us, or should I say, we have done to ourselves, as we enjoy the outdoors. We enjoy a fantastic climate and as the season changes and summer approaches, we can encourage children to wear hats when playing outside. Try and encourage a wide brimmed hat so it covers the face and back of the neck.

I have just had a visit from children, eager to share their wonderful work, that they completed in class. This happens every day. Children at Lake South are constantly displaying their growing skills in a variety of ways. It may be reading a piece they have written, an entry in their diary, a presentation using technology (Year 5/6 have used the office to shoot a movie), brilliant calculations and if you were present at the last assembly, their talented dance routines. It is such a vibrant learning environment here at Lake South, no wonder so many children look forward to their days at Lake South.

As the year winds down, you might notice that children in classes are completing activities that may vary from the normal routine. It is just another method of engaging children in their learning.

Swimming scheme begins next week for many children and the weather looks promising. Interest sport continues (will they catch any fish!) and the bike riders report pedal power is the way to go, something the walkers dispute, the bowlers enjoy strikes (and the odd chips and gravy) and school sport are participating in a variety of sports. It is all happening at Lake South.

Remember to wear a hat.

THURSDAY ASSEMBLY

Please be advised that Assembly is held every
Thursday at 12.30 pm, unless otherwise notified.

PARENT HELPERS MORNING TEA—Tuesday 4th December 2012

We would like to invite all the parents, who have assisted us at school this year, to say 'Thank You'. This includes the parents who have assisted in the classrooms, Library, who have done work at home to assist in the classrooms and also those people, who have worked in the Canteen and P&C, School Sports etc.

Please come and join us for a morning tea, so that we can show our appreciation and say "Thankyou".

We would like to say a special "Thankyou" to a lady who will not be able to come on that day. Heather Low, has been a PALS volunteer and has come from Wollongong two mornings every week to assist two students with an Individual Literacy Program. Heather finishes this program this Thursday, 22/11 and we have appreciated the time and effort she has put in for the two students, at our school.

The PALS program is organised through St Johns Ambulance and if anyone is interested in training for this worthwhile volunteer work, please contact St Johns Ambulance. Thank you,

T. Gallagher

Our Funding

"Families NSW is a network of government and community agencies which implement systems and strategies to improve the co-ordination and efficiency of early prevention and support programs for families with young children.

It brings together services from a range of fields to co-ordinate and promote programs which empower families to maximise their health and well being.

The commitment of its people, holistic approach to the family and focus on early intervention is what makes *Families NSW* different."

What is a Supported Playgroup?

A Supported Playgroup is a gathering of parents, caregivers and pre-schoolers where everyone shares information and learn together.

What happens in a Supported Playgroup?

During a Supported Playgroup children and adults can participate in such activities as:

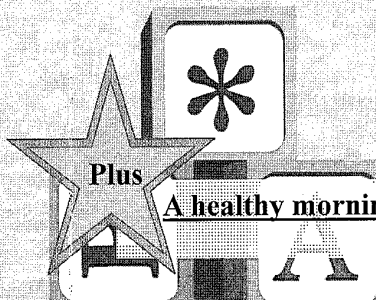

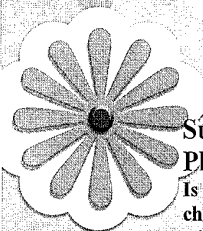

- Arts and Crafts.
- Group Outings.
- Music and movement.
- Exploring and creating through play.
- Meeting new and old friends.
- Learning to share and play together.
- And shared story time.

For adults a Supported Playgroup offers:

- Support from other parents and caregivers in your community.
- A place to learn and develop parenting skills.
- Guest speakers.
- Advice on where to go if you need help.
- Linking you with the other community services available.

Supported Playgroup

Is organised to help children and adults with early learning practices while promoting important development skills for your child's future.

After School Activity Program

The After School programme of Activities is designed by children for children.

This activity allows children to join with friends from school and other families to enjoy a range of positive and creative fun activities in the park. A healthy afternoon tea is also available to share with friends.

Every week the children have access to the playground equipment and sport equipment.

Staff on the project all hold a working with children check, first aid certificate and are experienced or qualified to work with children and young people.

The program is free and open access, children are free to come and go as they wish, the program does not offer a childcare service.

In order for us to monitor the success of the program we request all children provide us with contact details.

Children enjoy a range of fun activities in the park.

2528 Volunteers Celebrate Success

The 2528 Project celebrated a year of delivering a variety of community activity on the 18th October.

The super duper celebration, attended by Mayor of Shellharbour Marianne Saliba and Federal MP Stephen Jones looked back over the year with a photo presentation, heard from children involved in the project and held a special

awards ceremony to celebrate the volunteer hours contributed to the 2528 Project and accreditation of volunteers involved in the project. Recently volunteers from the community have gained coaching certificates, qualified in first aid and attended a number of workshops and seminars to support their work in the community.

Christmas with the 2528 Project

Last year the Children's Christmas Activity Day included Christmas Cookery, Card Making, Games and Face Painting.

This year the 2528 Christmas Activity will be on Thursday 20th December.

The venue and activities are

yet to be decided.

Book your place early to avoid disappointment.
