Principal's Message con't

Bus Safety

Children who catch the bus to and from school need to follow rules for safe bus travel. I would like to remind parents and children that they must be seated at all times while the bus is moving. It is also not appropriate behaviour for children to be swinging from the overhead bars inside the bus.

Bus companies are within their rights to refuse to transport children who do not follow these safety rules. Please discuss with your child the need to be safe while travelling on public transport.

Sun Safety

As it gets warmer, please ensure your child has their hat at school. I would also recommend that children also bring a roll-on sunscreen to school which can be applied before they go out at recess, lunch and during sport and PE.

In 2014, school hats must be worn. These can be either the bucket style or peaked cap. They are available for sale from the office or at the uniform shop. Please note that due to the new financial system, there is no change available in the office.

Have a great week.
