Principal's Message

Our school canteen is currently run by wonderful volunteers. Since opening in Term 4 last year it has raised \$14,000 for our school. These funds will be utilised in 2015 to improve the learning opportunities for our children.

In 2015 the P&C in consultation with the school has decided to explore employing a canteen supervisor for 4 hours per week. They will have the enormous responsibility of ordering, banking, stocktaking and organising and training volunteers. We would still require volunteers to work in our canteen Wednesday to Friday to prepare food and serve at recess and lunch times.

If we do not get enough volunteers in 2015 the canteen will not be able to run, even with a paid supervisor, as it does now. This results in no funds being available for the school to support student learning and no canteen for the children to use. If we are unable to get and maintain enough volunteers, the canteen will close. If this happens we can look at offering a lease however, this opportunity was not taken up when offered in 2013.

If you are able to volunteer even once a month, please let us know so we can compile a list of available volunteers for 2015.

Surveys

This week a short survey will be sent home to families. There will be four questions. This survey will contribute to decisions we are making in regards to learning opportunities for your children. We value your contribution and ask that you take the time to complete and return the survey by Friday, 5th December.

CANTEEN

The canteen's last day of operation will be Friday, 12th December. They are currently running stock down, so some food choices may not be available. If this occurs, your child will be offered an alternative.

DISCO

Slushies will be available at the disco this Friday. Children will be restricted to purchasing one slushie only.

Have a great week!!
