Principal's Message

Garden Produce

Keep your eye out for an afternoon for our gardeners who are selling the school's produce. Students in the garden club have worked so hard to plant, tend and harvest produce as part of our green initiative.

A big thanks also to Jenny Coy and Mrs Sewell who support the students in their gardening endeavours.

End of Year Activities

With only four weeks to go, we are swinging into end of year activities. This year we are going to have a post box for students to "post" their Christmas cards to friends and teachers. Cards will then be delivered by some friendly "elves".

Christmas craft rotations begin this week so get ready for some wonderful creations to be coming your way!! I will be hosting a very "Smiggly" Christmas where students from each class will be chosen by their peers to open the Smiggles Advent Calendar and receive the present within!!

Volunteers' Morning Tea

We like to take time to acknowledge and thank all the wonderful volunteers we get at our school. There will be a thank you morning tea in our school library on Thursday 8th December starting at 10:30am. Invitations will be sent home over the next few weeks.

Parking Around the School

Can I ask parents not to stop or park across residents' driveways around the school. There have been reports that local residents cannot gain access to their driveway at the end of the school day.

I have contacted Shellharbour Council who will send rangers and will review the no stopping zones, especially on Pur Pur Avenue to make our streets safer for students walking home.

Excursion Notes and Money

Can we ask that all payments being made to the school are sent in with students and collected by teachers, please do not take them to the office yourself. Note and money need to be in a labelled, sealed envelope. Please ensure that any payments are made by the due date on the excursion permission form.

Please come and see Mrs Piggott if you are experiencing difficulties and a payment plan can be arranged.

Have a wonderful week!!

Mrs Piggott

TALENT QUEST

Talent Quest registrations started last week in eating time under the COLA. Students will begin rehearsals in lunchtimes weeks 4,5 & 6 for the finals in week 9.

This year students can only enter 1 act and all efforts will be rewarded with a zooper dooper. As in previous years students need to ensure their song choices are appropriate, their clothing and dance moves suitable and they are 100% committed. We look forward to seeing the abundance of talent here at L.I.S.P.S

P&C NEWS

Please be advised that the next P&C meeting will be held on Monday 28th November at 1.40pm in the school hall.

All Welcome.

Lake Illawarra South Public - Interactive Online Resources

We have developed a website to help establish connections between home and school. The website lists numeracy and literacy resources in order to support K-6 student learning at home.

The website will be linked through our school homepage and accessible through the following link -

<http://lispsinteractivelearning.weebly.com>

Please contact the school if you have any further questions about this valuable resource.

Thanks

Mrs Trotter

Lake South has donated some old furniture to a school in Brahman, Indonesia. We were very happy to help the wonderful people at Rotary Kiama who will be shipping a container over to the school very soon.

2016 Shellharbour City Council Mayor's Giving Tree Appeal

Some 450 children from our local area will not receive Christmas presents this year. If you are able to donate any gifts to this worthwhile appeal please bring it in to school and hand to the front office.

Your consideration in this important appeal is appreciated.
